

If you think Hidden Falls is a great place now, just wait 'till these new features are ready for you in 2013:

- 980 additional acres (220 acres open today)
- 23 miles of additional trails and ranch roads (7 miles today)
- More waterfalls to enjoy with a new overlook
- Interpretive panels "Educate while you Recreate"
- Two big new bridges over 100 feet long to get you to the north side of Coon Creek and back
- New picnic areas and rest stops
